# LUTSK CITY TERRITORIAL COMMUNITY

**Lutsk City Territorial Community** is one of the most attractive places in Ukraine for both – for work and living. It has well-developed infrastructure and social sphere, high industrial and scientific potential, favorable business climate and clean ecology.

**Lutsk City Territorial Community** is located in northwestern part of Ukraine and in southeastern part of the Volyn region.

The community consists of 1 city, 1 urban-type settlement and 34 villages.

**Total area:** 38,257.43 hectares (382.57 km<sup>2</sup>).

**Population of the community:** 244,6 thousand people.

**Population of the city of Lutsk:** 216,5 thousand people.

**Distance to the border with EU (Poland)** - 85 km.

Lutsk is attractive for the business representatives to start or proceed their activities.

## ADMINISTRATIVE SERVICES FOR CITIZENS

During the full-scale invasion of Russian army to Ukraine, Lutsk City Council provides the full spectre of services: for the citizens of Lutsk, IDPs and both – local and relocated business.

**Centre of Administrative Services of Lutsk** is one of the best such institutions in Ukraine. It gives the ability:

- to register the business in the fastest way;
- to issue permissive documents;
- to receive administrative services of Lutsk City Council, Volyn Regional State Administration, territorial bodies of ministries and other bodies of executive power;
- to submit applications, proposals, complaints etc.

The number of services provided – **528**.

More than **224,457** people applied to **Centre of Administrative Services of Lutsk** their applications and **120,210** administrative services were processed during 2022.

After the beginning of full-scale invasion, Lutsk opened the **Assistance Center for Relocated Business**.

The center helps enterprises from the affected regions to restore their activities.

# SERVICES FOR INTERNALLY DISPLACED PERSONS, VULNERABLE GROUPS SUPPORT

In 2022 **Center for Mutual Support of Internally Displaced Persons** was created.

From the beginning of full-time military actions, Lutsk City Council started to provide internally displaced persons with food. Women with children under 18, children, people with disabilities, retired people received their meals for free.

Lutsk City Council also distributed a large amount of cereals, flour, vermicelli, other food positions between vulnerable groups of citizens. We also provide people with clothes etc.

Last year we also started the reconstruction of a building into the **dormitory for IDPs**.

The project is implementing by Lutsk City Council and NEFCO for the funds from the European Union. Project is 70% ready.

There will be smart apartments and dormitory-style rooms designed for 2, 3 and 4 people. In total, the premises are designed for 180 people, but if necessary, up to 300 people can be comfortably accommodated.

We received EUR 1,66M grant funds for this project.
