# 2022 ANNUAL REPORT

PREPARED BY

Jonathan Patterson

# OUR PROFILE

---

In an essay, article, or book, an introduction (also known as a prolegomenon) is a beginning section which states the purpose and goals of the following writing. This is generally followed by the body and conclusion.

The introduction typically describes the scope of the document and gives the brief explanation or summary of the document.

# THE OBJECTIVE

---

A specific result that a person or system aims to achieve within a time frame and with available resources. In general, objectives are more specific and easier to measure than goals.

Objectives are basic tools that underlie all planning and strategic activities. They serve as the basis for creating policy and evaluating performance. Some examples of business objectives include minimizing expenses, expanding internationally, or making a profit.

# THE FIGURES

This graph shows how many nansens branches are. The newest branch we have is Little Rock that increased by 8% for the first 3 months.

# FINANCIAL STATEMENTS

This graph shows how many percentage added for the year 2018 between the company's income, expenses and profits.
